- The delegation of authority to issue shares and to restrict or exclude pre-emptive rights.
- The delegation of authority to purchase own shares.
- The composition of the Supervisory Board and of the Management Board.

In addition, certain specific topics may be added to the agenda by the Supervisory Board.

Proposals to the agenda of General Meetings can be made by persons who are entitled to attend General Meetings, solely or jointly representing shares amounting to at least 1% of the issued share capital, or with a market value of at least EUR50 million. Proposals of persons who are entitled to attend the shareholders meetings will only be included in the agenda if such proposals are made in writing to the Management Board not later than sixty days before that meeting.

With reference to the articles of association, all shareholders are entitled, either personally or by proxy authorized in writing, to attend the General Meeting, to address the General Meeting and to vote. The articles of association do not provide for any limitation of the transferability of the ordinary shares and the voting rights of shareholders are not subject to any limitation.

At the General Meeting, each ordinary share with a nominal value of EUR0.25 each shall confer the right to cast one (1) vote. Each protective preference share with a nominal value of EUR0.25 each shall confer the right to cast one (1) vote, when issued. None of the protective preference shares have been issued to date. Unless otherwise required by law or the articles of association of the Company, all resolutions shall be adopted by an absolute majority of votes. The General Meeting may adopt a resolution to amend the articles of association of the Company by an absolute majority of votes cast, but solely upon the proposal of the Management Board, subject to the approval of the Supervisory Board. The articles of association are reviewed on a regular basis and were last amended in April 2022.

Due to the COVID-19 pandemic, the 2022 AGM was held virtually and shareholders could cast their votes prior to and real-time in the meeting. 131,568,021 ordinary shares participated in the voting, equal to 72.82% (2021: 71.7%) of the then total outstanding share capital of 180,671,305 ordinary shares. All proposed resolutions were adopted. The outcome of the voting of the meeting was posted on the Company's website on the day following the 2022 AGM.

3.2.6 ISSUE, REPURCHASE AND CANCELLATION OF SHARES

The General Meeting or the Management Board, if authorized by the General Meeting and with the approval of the Supervisory Board, may resolve to issue shares.

The General Meeting or the Management Board, subject to the approval of the Supervisory Board, shall set the price and further conditions of issue, with due observance of the provisions contained in the articles of association. Shares shall never be issued below par, except in the case as referred to in article 2:80 (2) Dutch Civil Code. At the 2022 AGM, the shareholders have delegated to the Management Board for a period of eighteen months and, subject to the approval of the Supervisory Board, the authority to issue ordinary shares up to 10% of the total outstanding shares at that time. In addition, authorization was granted to restrict or to exclude pre-emption rights for a period of eighteen months and subject to the approval of the Supervisory Board.

The Management Board may, with the authorization of the General Meeting and the Supervisory Board and without prejudice to the provisions of article 2:98 Dutch Civil Code and the articles of association, cause the Company to acquire fully paid-up shares in its own capital for valuable consideration. The Management Board may resolve, subject to the approval of the Supervisory Board, to dispose of shares acquired by the Company in its own capital. No pre-emption right shall exist in respect of such disposal. At the 2022 AGM, the shareholders have delegated the authority to the Management Board for a period of eighteen months, as from April 6, 2022 and subject to approval of the Supervisory Board, to repurchase up to 10% of the total outstanding shares at that time.

3.2.7 EXTERNAL INDEPENDENT AUDITOR

The external independent auditor of SBM Offshore is appointed by the General Meeting on the proposal of the Supervisory Board upon the selection process and nomination of the Audit Committee and the advice of the Management Board.

PricewaterhouseCoopers Accountants N.V. ('PricewaterhouseCoopers') was first appointed during the 2014 AGM and re-appointed during the 2021 AGM for a period of three years and ending with the audit of the financial year 2023. Pursuant to the Dutch Auditors Profession Act (*Wet op het accountantsberoep*), the audit firm of a so-called public interest entity (such as a listed company) is required to be replaced if the audit firm has performed the statutory audits of the company for a period of ten consecutive years, which term ends for PricewaterhouseCoopers with the audit of the financial year

2023. Based on auditor independence requirements, the lead auditor in charge of the SBM Offshore account is changed every five years.

The external independent auditor attends all meetings of the Audit Committee, as well as the meeting of the Supervisory Board at which the financial statements are approved. The external independent auditor receives the financial information and underlying reports of the quarterly results and is given the opportunity to comment and respond to this information. Pursuant to the Auditor's Profession Act, the auditors are prohibited from providing the Company with services in the Netherlands other than 'audit services aimed to provide reliability concerning the information supplied by the audited client for the benefit of external users of this information and also for the benefit of the Supervisory Board, as referred to in the reports mentioned'. During 2022, a small number of limited-scope non-audit services were provided by foreign member firms of the PricewaterhouseCoopers global network, taking into account the external auditor's independence rules and SBM Offshore's policy in this regard.

3.2.8 STICHTING CONTINUÏTEIT SBM OFFSHORE

In this section, SBM Offshore's anti-takeover measures are described, as well as the circumstances under which it is expected that these measures may be used.

A foundation 'Stichting Continuïteit SBM Offshore' (the Foundation), was established on March 15, 1988. In summary, the objectives of the Foundation are to represent the interests of SBM Offshore in such a way that the interests of the Company and of all parties involved in this are safeguarded, and that influences which could affect the independence, continuity and/or the identity of the Company in breach of those interests are deterred. The Foundation will perform its role, and take all actions required, at its sole discretion. In the exercise of its functions it will, however, be guided by the interests of the Company and the business enterprises connected with it, and all other stakeholders, including shareholders and employees.

The Foundation is managed by a Board, the composition of which is intended to ensure that an independent judgement may be made as to the interests of the Company. The Board consists of a number of experienced (former) senior executives of multinational companies: Mr. A.W. Veenman, Chair, Mr. B. Vree, Vice-Chair, Mr. R.H. Berkvens, Ms. H.F.M. Defesche and Mr. J.O. van Klinken. To be kept informed about the business and interests of the Company, the Chair of the Supervisory Board, the CEO and

the CFO are invited to attend the Foundation Board meetings.

The Management Board, with the approval of the Supervisory Board, has granted a call option to the Foundation to acquire a number of preference shares in the Company's share capital, carrying voting rights, equal to one half of the voting rights carried by the ordinary shares outstanding immediately prior to the exercise of the option, enabling it effectively to perform its functions, at its sole discretion and responsibility, as it deems useful or desirable.

The option agreement between SBM Offshore and the Foundation was last amended and restated in 2011, to reflect a waiver by the Company of its put option and the alignment of the nominal value of the protective preference shares with the nominal value of ordinary shares by reducing the nominal value of EUR1 to EUR0.25 and the related increase in the number of protective preference shares, as per the amended articles of association of the Company. The Foundation is independent, as stipulated in article 5:71 (1) (c) Financial Markets Supervision Act.

3.2.9 OTHER REGULATORY MATTERS

CONFLICTS OF INTEREST

The members of the Management Board have a services contract with SBM Offshore N.V. These contracts stipulate that members of the Management Board may not compete with the Company. Conflict of interest procedures are included in the Management Board and Supervisory Board rules and the Company's Code of Conduct, and reflect Dutch law and the principle and best practices of the Dutch Corporate Governance Code. In 2022, there were no conflicts of interest in relation to the members of the Management Board and Supervisory Board reported other than ordinary course compensation arrangements. The Company is compliant with best practice 2.7.3 to 2.7.4 of the Corporate Governance Code.

In 2022, SBM Offshore did not enter into transactions with persons who held at least 10% of the shares in the Company. The Company is compliant with best practice 2.7.5 of the Corporate Governance Code.

REGULATIONS CONCERNING OWNERSHIP OF AND TRANSACTIONS IN SHARES

In addition to the Company's Insider Trading Rules, the Supervisory Board rules and Management Board rules contain a provision stipulating that Supervisory Board and Management Board members will not trade in Company shares or other shares issued by entities other than the Company on the basis of share-price-sensitive information if this information has been obtained in the course of managing or supervising the Company's business.
