During the year 2022, the main movements regarding right-of-use assets related to US\$15 million of depreciation charges partially offset by the lease of additional office space in Brazil and Guyana.

Office leases

Significant contracts under buildings relate to the lease of offices. The remaining contract periods of the Company's office rentals vary between one and ten years and most of the contracts include extension options between three and five years. The extension options have been taken into account in the measurement of lease liabilities when the Company is reasonably certain to exercise these options. The lease agreements do not impose any covenants.

OPERATING LEASES AS A LESSOR

The category 'Vessels and floating equipment' mainly relates to facilities leased to third parties under various operating lease agreements which terminate between 2025 and 2031. Leased facilities included in the 'Vessels and floating equipment' amount to:
